Dear Raymond Lau,

On behalf of the 2002 ISEA/ISEE Scientific Program Committee, we are pleased to inform you that your abstract:

10871: Environmental Tobacco Smoke from Smoking Conventional and Electrically Heated Cigarettes

has been accepted for presentation at the 2002 Joint Conference of the International Society of Exposure Analysis and the International Society for Environmental Epidemiology. All accepted abstracts will be published in the July issue of Epidemiology. We will notify you at a later date with details regarding the format, date and time of your presentation. Please remember to arrange accommodations and to register for the conference. We are also happy to inform you that we have been able to extend the early registration deadline until April 12.

Signed,

Michael Brauer and Susan Kennedy
